EXPLANATION OF ELIGIBILITY FOR YEAR END PRIZES

FAMILY MEMBERSHIP: \$100 PER FAMILY to receive Prizes at YEAR END

Each family will have to earn 5 work points. This means that someone will have to work 5 times for each family membership. If the family does not have enough points by the last club rodeo of the year, the family will have to pay a fee in order to receive their prizes. The fee will be \$10.00 per rodeo not worked. Also, you must have entered 5 rodeos of the 15 rodeos to be eligible.

*****NEW. If working at a 4-D Barrel Racing, on the 3rd Tuesday of each month at the Sulphur Arena. You can receive "1" worker point for each Barrel Racings you work.**

**POINTS WILL BE HELD IN 10 RODEOS OF THE 15 SCHEDULED.
10 BEST RODEOS IN EVENTS AND 10 BEST RODEOS IN THE ALL AROUND
PRIZES WILL BE AWARDED TO TOP 7 IN EACH EVENT AND ALL AROUND
NOT PLACING IN A TOP 7 WILL STILL GET BUCKLES**

There will be a sign up sheet at every rodeo. Whichever event you sign up for, you will work the entire event starting with Wranglers thru Seniors.

Example: If you work Barrels you will start with Wranglers and finish with the last Senior.

You must sign up upstairs when you pay your entry fees. You must write down the event you work and who you are working for. We will not write it down for you, so if you leave the rodeo and did not write it down, it does not count. There are too many people for us to keep track. If you sign up and for some reason and have to cancel, please inform us so that space may be taken by another family or you can get someone to work it for you, it may be a friend, grandparent, senior boy or girl, etc. Remember you must be in Western Attire according to the Little Britches rules.

Michelle Darbonne will keep track on the sheets, so if you need to find out your status, please see her. Remember if you did not write it down on our sign-in sheet, we are not responsible !!!!!

Thank you & have a safe year
